THE FRATERNAL ORDER OF POLICE

The Fraternal Order of Police is the largest and oldest organization of its kind in the Nation.

The Fraternal Order of Police was founded in Pittsburgh, Pennsylvania more than seventy-five years ago to provide a voice for all law enforcement officers. Currently lodges are chartered all across Virginia to ensure that our voice is heard here in the Commonwealth.

We have a diverse membership with members from local, state, and federal law enforcement agencies as well as the local Commonwealth Attorney's Offices. All full time or retired regularly sworn law enforcement officers are eligible for membership subject to local lodge bylaws.

At the State and National levels, the FOP actively lobbies Congress and the General Assembly for the passage of legislation that benefits the entire law enforcement community. This is a year round effort utilizing the time and talent of members rather than paid lobbyists.

At the local level the FOP can speak to town, city or county government on any matter of importance to our membership.

The Fraternal Order of Police is open to all active and retired law enforcement officers. There are over 8,000 active FOP members across the Commonwealth.
